

or the unit of local government must be obligated to install the facilities within 180 days following closing. For subdivisions which will not have a central water or sewage disposal system, there must be assurances that an adequate potable water supply is available year-round and that the lot is approved for the installation of a septic tank.

(6) The contract of sale must require delivery within 180 days after the signing of the sales contract of a warranty deed, which at the time of delivery is free from monetary liens and encumbrances. If a warranty deed is not commonly used in the jurisdiction where the lot is located, a deed or grant which warrants that the seller has not conveyed the lot to another person may be delivered in lieu of a warranty deed. The deed or grant used must warrant that the lot is free from encumbrances made by the seller or any other person claiming by, through, or under the seller.

(7) At the time of closing, a title insurance binder or title opinion reflecting the condition of title must be in existence and issued or presented to the purchaser showing that, subject only to exceptions which are approved in writing by the purchaser at the time of closing, marketable title to the lot is vested in the seller.

(8) The purchaser or purchaser's spouse must make a personal, on-the-lot inspection of the lot purchased prior to signing a contract or agreement to purchase.

(d) The sale must also comply with the anti-fraud provisions of § 1710.4 (b) and (c) of this part.

§ 1710.11 Manufactured home exemption.

(a) The sale of a lot is exempt from the registration requirements of the Act when the following eligibility requirements are met:

(1) The lot is sold as a homesite by one party and a manufactured home is sold by another party and the contracts of sale—

(i) Obligate the sellers to perform, contingent upon the other seller carrying out its obligations so that a com-

pleted manufactured home will be erected on a completed homesite within two years after the date the purchaser signed the contract to purchase the lot;

(ii) Provide that all funds received by the sellers are to be deposited in escrow accounts independent of the sellers until the transactions are completed;

(iii) Provide that funds received by the sellers will be released to the buyer upon demand if the lot on which the manufactured home has been erected is not conveyed within two years; and

(iv) Contain no provisions which restrict the purchaser's remedy of bringing suit for specific performance.

(2) The homesite is developed in conformance with all local codes and standards, if any, for manufactured home subdivisions.

(3) At the time of closing—

(i) Potable water and sanitary sewage disposal are available to the homesite and electricity has been extended to the lot line;

(ii) The homesite is accessible by roads;

(iii) The purchaser receives marketable title to the lot; and

(iv) Other common facilities represented in any manner by the developer or agent to be provided are completed or there are letters of credit, cash escrows or surety bonds in the form acceptable to the local government in an amount equal to 100 percent of the estimated cost of completion. Corporate bonds are not acceptable for purposes of the exemption.

(4) For purposes of this section, a manufactured home is a unit receiving a label in conformance with HUD regulations implementing the National Manufactured Housing Construction and Safety Standards Act of 1974 (42 U.S.C. 5401).

(b) The sale must also comply with the anti-fraud provisions of § 1710.4 (b) and (c) of this part.
